Environment Cadet Programme

The Environment Cadet Programme was first launched in 2004 and began in the secondary schools. It has since expanded to include a mixture of primary and secondary schools .

The Environment Cadet Programme is fortunate to have a number of dedicated teachers who volunteer their time and talents to the programme.

New and enthusiastic cadets are always welcome! Read the following information to find out more about the programmes and activities.

Objectives

The Clean Green Campaign was designed to create tangible changes within the environment that are easily visible and acknowledged by the public.

The Environment Division's 'Clean Green Campaign' has several objectives, including:

1. *Exposing cadets to different environmental issues, namely Energy Conservation, Biodiversity, Ecosystems and Sustainable Living.*
2. *Showing cadets how their lives impact the environment.*
3. *Encouraging cadets to educate the general public about what they have learned and what changes can be made.*

Environment Cadet Motto

"Working together for a better future"

Environment Cadet Projects

The "Clean Green Campaign" has a number of projects which the cadets can be involved in:

Category 1: Energy Conservation

- Carbon Footprint

Category 2: Ecosystems
