

Application Form for an Environmental Internship

The Environment Division is offering ten internships to well deserving Environment cadets from the secondary level (forms 4 & 5). The cadets that are chosen to participate will spend one week working alongside a professional who labours in the environmental field. This opportunity will assist the students in becoming more eco-conscious and develop a greater appreciation for the environment.

Cadets are required to submit the following;

- *a reference letter from the Principal of the school*
- *a 500 word (typed) essay stating how this internship will benefit you and why you are deserving of receiving this opportunity*
- *one passport size photo*
- *application form to be completed in duplicate with copies of essay and reference letter*

All applications must be submitted to the Environment Division, #1 Prime Minister's Drive/Factory Road, St. John's, Antigua by May 22nd, 2011.
